December 15, 2017

Dear Saville Community Sports Centre and/or Foote Field User,

As a user of parking facilities at South Campus, you are receiving this letter to notify you of changes to enforcement and citations.

Parking facilities at South Campus serve community members and visitors to Saville Community Sports Centre and Foote Field, as well as University of Alberta staff, faculty and students. There have been instances during busy events where users park illegally in emergency access routes, and other restricted areas including accessible stalls, rather than in the designated overflow parking areas.

In order to address these issues, as they are a matter of public safety, University of Alberta's Parking Services and the Faculty of Kinesiology, Sport, and Recreation, in partnership with GO Sports, are implementing the use of City of Edmonton (COE) citations on South Campus, starting **January 15, 2018**.

There will be no change to parking or traffic regulations on South Campus. COE citations are being implemented as an additional enforcement method at South Campus parking facilities only. Initially, COE citations will only be issued if/when patrons are parked in/blocking emergency access routes or parked in an accessible parking stall without a government-issued accessible placard displayed. U of A citations will continue to be issued for all other parking infractions

Thank you for your understanding and patience as we implement these changes. If you have any questions or concerns about these citations, please contact Parking Services at 780.492.7275.

Sincerely,

Saville Community Sports Centre Management Team and GO Sports
